## The Ironies of US Immigration Policies

Labor demand, racism, compassion and cruelty have long been reflected in US immigration policy, and not in equal measure. The Biden administration has been criticized for its Southwest border policy from both the right and the left. What and how is the Administration doing?

Thursday, February 23, 7 PM

**with Stephen Marks**

Elden Smith Professor of Economics at Pomona College

Professor Marks has done extensive development policy consulting with USAID, World Bank, the Asian Development Bank, and the government of Australia. He has published widely on the political economy and consequences of US trade policy, and on trade, tax, and competition policies in Indonesia, Laos, and Egypt.

In person at Claremont UCC Church, 233 W. Harrison Ave.
