Pomona Valley Chapter

An invitation to our Members and Friends

The Annual High School Essay Awards Ceremony
Thursday, May 23, 7 PM
Claremont United Church of Christ
Louise Roberts Room
233 W. Harrison

Please join us for one of the highlights of our chapter's calendar. We will celebrate our five UNA essay contest winners and their families. This year's essay question dealt with how UN agencies work to contribute to a more peaceful world. Our winners tackled the topic and vigor and we have been told by their American History teacher, Rita Torres, that the contest "motivated them in ways you cannot believe!" She will help present the certificates and awards.

Don't miss this opportunity to celebrate and support these future leaders!

Homemade desserts will be served
